

Attention Parents!

In All Stars we encourage our kids to

- Trust God no matter what.
- Make the wise choice.
- Treat others the way you want to be treated.

So, in 2010, we are introducing...

Play Smart 3
read . pray . serve

a weekly email that provides information for your child to continue growing and taking their next steps with God.

We will send the same information to your email address so that you know what info your child is receiving. This will also provide a great springboard to open conversations about God with you and your child as you talk about it together.

Your child can sign up using their own email address or using yours. If your child uses their own email address, you will still need to sign the registration card and provide your email address. No child will be allowed to sign up without the parent's approval and email address.

Let's continue taking next steps together!
