

# Kenya Mission Trip

## June 24 – July 3, 2010

*In January of 2009, Brazos Pointe Fellowship officially began a partnership with the community of Endana, a very poor, rural area north of Nairobi generally called Segera. Building on the foundation laid by the 2008 and 2009 trips, the 2010 trip will continue to work alongside the village of Endana as the community strives to achieve its developmental goals. Team members will have the opportunity to work on a construction related project, lead Bible school activities for children, teach classes in a local school, and work in a medical clinic. Other trip highlights include a safari day at the beautiful Ol Pejeta Conservancy.*
